I also request that if you determine that some of the information requested is exempt from FOIA, that this information be identified by document, along with the statutory basis for your claim and your reasons for not exercising your discretion to release this information. FOIA also provides that if only portions of the file are exempt from release, the remainder of the file must be

released. Therefore, I request that I be provided with all non-exempt portions that can reasonably be segregated. As a non-profit, membership-based trade association representing members who conduct their cattle ranching operations within the proposed Powder River Training Complex area, and whose ranching businesses are directly impacted by any land-use restrictions imposed pursuant to the Endangered Species Act, I am hereby requesting a waiver of fees for the information requested. If there is any problem in providing this information, please let me know so that further arrangements can be made. Thank you for your cooperation. Sincerely, Bill Bullard, CEO
