

Virtual Support Group Release of Liability

The Virtual Support Group is simply a forum to provide similarly situated cattle farmers and ranchers to talk with one another. In exchange for allowing me to participate, I agree to hold harmless, R-CALF USA and its officers, directors, employees, and volunteers, from any and all liability of any kind or nature whatsoever which may arise out of, result from, or relate to my participation.

I understand that this activity is not therapy nor a therapeutic group, and that the information provided to me does not constitute the provision of medical, psychological or other professional health care treatment services. Nothing provided herein should be construed as a substitute for professional advice or treatment by a health care professional.

During my participation in this Group, I may learn personal and confidential information about individuals who participate in this Group. I agree to maintain confidentiality and not reveal information that is not existing public information to any person in the Group or outside of the Group while a participant in the Group or at any time in the future when I may no longer be a participant of the Group.
